Experience

Business Systems Analyst, The Kara Consultancy
Sep 2026 – Present

- ERPNext administration and Walmart Marketplace operations for a North American tire distributor, plus the integration between them and the point-of-sale.
- Administer ERPNext (Frappe): item master, purchasing, sales orders, stock.
- Run the Walmart Marketplace catalogue: listing quality, GTIN/UPC accuracy, repricing floors, inventory feeds, order and return exceptions.
- Build and maintain the POS ↔ ERP ↔ marketplace integration so orders, inventory and tracking aren't retyped by hand.
- Work against the Walmart Marketplace API and automate reconciliation that used to be manual.
- Produce the margin, freight and fee analysis behind pricing decisions.

Manager of Sales, WirelessPlus (part-time)
Sep 2025 – Present

- Lead a team of wireless sales associates in a high-volume retail store.
- Diagnose and repair smartphones: screens, batteries, charging ports and other hardware.
- Configure devices, transfer data, and troubleshoot software and connectivity problems.
- Manage transactions, inventory and customer service in a fast-paced environment.

Artificial Intelligence Intern, Square Root Technologies Inc.
Mar 2025 – May 2025

- Helped build an AI-driven business-intelligence tool for small merchants.
- Created front-end UI prototypes and interactive dashboards for internal analytics.
- Assisted with insight automation, sales-pattern recognition and emotion analysis using Python, Flask and TextBlob.

Shift Lead, Booster Juice
Mar 2024 – Dec 2025

- Led a team of up to 6 staff during peak operations.
- Kept communication clear and resolved issues quickly to keep service moving.

Social Media Manager, Brazily Fitness Inc. (internship)
Mar 2024 – Jun 2024

- Planned and scheduled Instagram and Facebook content in Canva.
- Themed campaigns lifted engagement by 30%.

Education

Interactive Media Design, Algonquin College · Graduated 2026
